SAD NEWS

We farewell another of our post war members, Jenny Millers (WRAAF). It is some years since we last saw Jenny with husband Tex, at an association activity. Both used to be great supporters.

Our sincere condolences to Tex and family and friends. Jenny's funeral details have been sent to members.

ACTIVITIES

Birthday: What a hoot. So very colourful; so very enjoyable.

Well done to the organisers, volunteer team and everyone who attended in support. There were many fibers in the rigging and they were all bound together with fairy dust, creating a memorable celebration of our 57th birthday.

Thanks to the pixies and pirates and to the wavy navy (they went up,.... that made you sing the chorus again, eh!). A big thank you to our visitors from the Bay and Sunny Coast for travelling all that way to add your friendship to the mix. Thanks also to the ticket sellers, buyers and donors. Hervey Bay had been hanging out for a year like this one when they could

'fill the coach with prizes'.

The backdrop and table decorations were great. CO has only a couple of photos—but Jeannie has posted many more on Facebook, so go take a look.

Bungadoo 21 July. A great attendance and a terrific experience. Who ever thought you could make a three course meal from pizza?

We even celebrated National Lamington Day thanks to Kerry.

Sharon, Jenny, Kollyne and Debbie had toiled before we arrived, and hardly stopped until we were gone—then they would have worked to re-

store normality.

One thing is certain, your efforts were appreciated and the result enjoyed by all who attended.

Mystery day trip 9 September: Cost of coach seat \$25 members \$35 guests. Depart Bundy Coaches 0900—morning tea and lunch is at your cost. Return 1500-1530. You need to book please.

Hervey Bay Birthday Luncheon 19 Oct. Ruby, Ruby, Ruby—red—is the theme for Saturday luncheon.

Details and RSVP page 6—don't forget to include any special diet requirements.

Arty/Crafty. Cost for this art class scheduled for Sat 02 Nov will be provided when known.

Veterans Health Week An activity is being considered for October and details should be included in August's CO. You will need to book in September.

AUGUST CHANGES

Don't forget that we no longer have Super Saturday to work for in August—we only have January and May; also, there will not be a general meeting in August.

Cuppa Chat is still on though, as too line dancing and ten pin bowls.

The committee will meet on 5 August to progress any business needing attention, so look for activity updates in the next *Chests Out*.

OnO 'happy travels'

To our members and your travel mates—have a great and safe holiday.

Whilst not an association activity, our activities officer Jenny W has put considerable effort into ensuring all travellers, including our own members, have a well planned trip to look forward to. Jenny was assisted by Sunny Coast president, Lorraine Houlihan (who is also one of our members). Thank you Jenny and Lar-

raine, your work over the last couple of years is surely appreciated by all who will benefit.

PUBLICITY

Prior to becoming a pirate, president Sheryl did a radio interview on ABC promoting our organisation. Well done Sheryl.

Also, there is a new brochure available with a few copies on the shelf at the Lodge.

If you know of a female veteran who may be interested in joining, you could provide her with the pamphlet—you can also refer her to our website which contains info such as our constitution and membership application forms.

WELLBEING

It is worth repeating that the winter bug has been on the bite and the peak season is still to come so please practice social distancing, hand and cough hygiene and mask up.

Taking care of others, family and mates, is only possible if you take care of yourself first.

Leone

Hervey Bay shares Friendship July
*Truly great friends are hard to find,
difficult to leave, and simply impossible
to forget.*

Another volunteer recognised by our Nation during May—late presentation.

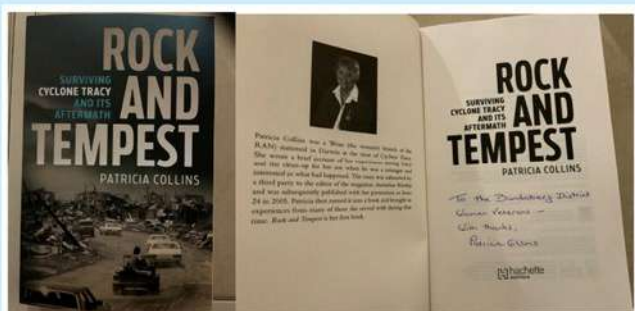

Volunteer Glenda Everton-Brocklesby was presented with a Certificate of Appreciation for her volunteer work by President Sheryl Parker on behalf of Keith Pitt MP, Federal Member for Hinkler. The certificate was accompanied by a letter from Keith Pitt. Glenda joins Faye Chatham and Annette Newsham in this year's recognition and at least 18 members who have received a Volunteers' Certificate in previous years. Congratulations Glenda!

So that we can honour you!

If you wish your service to your country to be recognised at your funeral, you need to let your funeral director or your family know. It is your family who ask the funeral director to arrange to have the poppy tribute. Our association cannot interfere.

ANZAC PARK, QUAY STREET

Update on Anzac Park redevelopment:

Bundaberg Regional Council's staff met with representatives of ex-service organisations on Thursday 18 July at the Veterans Support Centre. Our association was represented by president, Sheryl Parker and Leone Wilson OAM.

The Bundaberg Regional Council 2024 budget of \$5.2m allocated to this project will cover Stage One only.

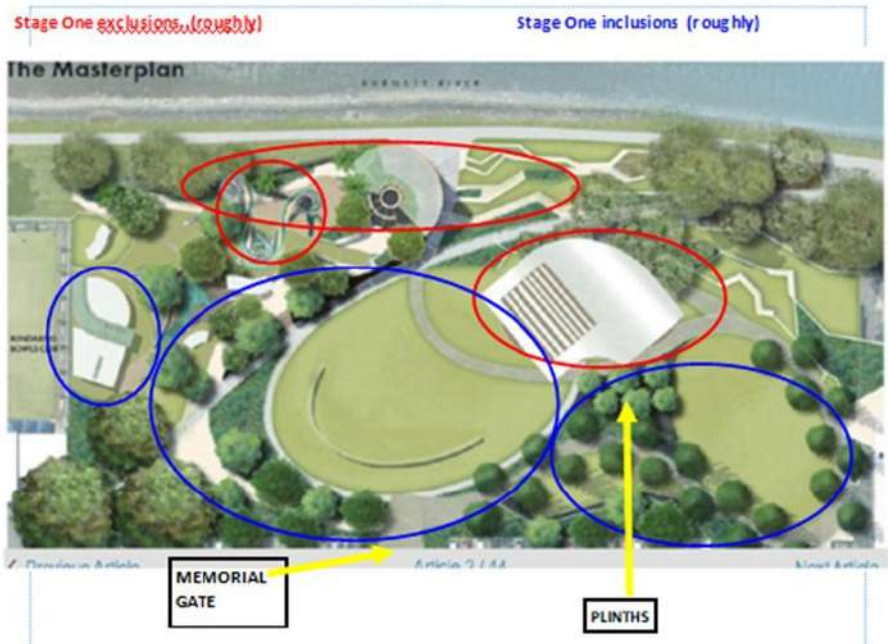

Stage One includes the main earthworks/lawn areas but not the 'peninsular' along the river bank. Other exclusions are the sound shell/stage construction and the playground water feature. The area of Remembrance is included, so too the amenities block which is close to the bowls club.

Council is aiming to have the area ready for Anzac Day 2025 when the service will be held in the larger area which aligns with Barolin Street. We all agreed that the Remembrance area which is adjacent to the RSL building is too small but also very difficult to direct a parade along the curved pathways.

Smaller services such as Remembrance Day (from 2025) could be held in the Remembrance area.

The meeting was positive with what we believe could be some good suggestions for the Bundaberg Regional Council to consider and evaluate.

Another meeting will be scheduled to provide us with the council's decisions and to establish the way forward for us to work together.

CHALK IT UP

MOTHER: Why did you get such a low mark on that test?

JUNIOR: Because of absence.

MOTHER: You mean you were absent on the day of the test?

JUNIOR: No, but the kid who sits next to me was.

SYLVIA: Dad, can you write in the dark?

FATHER: I think so. What do you want me to write?

SYLVIA: Your name on this report card.

TEACHER: Well, at least there's one thing I can say about your son.

FATHER: What's that?

TEACHER: With grades like these, he couldn't be cheating.

TEACHER: Ellen, give me a sentence starting with "I".

ELLEN: I is....

TEACHER: No, Ellen, Always say "I am."

ELLEN: All right... "I am the ninth letter of the alphabet".

TEACHER: Max, use "defeat", "defense", and "detail" in a sentence.

MAX: The rabbit cut across the field, and defeat went over defense before detail.

MOTHER: Why on earth did you swallow the money I gave you?

JUNIOR: You said it was my lunch money.

TEACHER: If you received \$10 from 10 people, what would you get?

SASHA: A new bike.

TEACHER: If you had one dollar and you asked your father for another, how many dollars would you have?

VINCENT: One dollar.

TEACHER: (sadly) You don't know your arithmetic.

VINCENT: (sadly) You don't know my father.

TEACHER: If I had seven oranges in one hand and eight oranges in the other, what would I have?

CLASS COMEDIAN: Big hands!

BOY: Isn't the principal a dummy!

GIRL: Say, do you know who I am?

BOY: No.

GIRL: I'm the principal's daughter.

BOY: And do you know who I am?

GIRL: No.

BOY: Thank Goodness!

(I thought I should include these before you forget what a floppy disc really is)

Computer Simplified

If a packet hits a pocket on a socket on a port,
And the bus is interrupted at a very last resort,
And the access of the memory makes your floppy disk
abort,
Then the socket packet pocket has an error to report.

When the copy of your floppy's getting floppy in the disk,
And the microcode instructions cause unnecessary risks,
Then you'll have to flash the memory and you'll want to
RAM your ROM,
Quickly turn off the computer and be sure to tell your
Mom.
